

WAYNE COUNTY FLOOD RESOURCES

For Businesses

Business Impact Survey

Has your business been affected by the flooding? Please complete the Chamber's 3-minute Business Impact Survey — *even if the impact was minor*. Your response will help us understand business needs, advocate for assistance and connect businesses with available resources.

Flood Impact and Assistance Needs Survey

SBA Disaster Assistance

SBA disaster assistance is not yet available for the current disaster. Damage assessments and the appropriate declaration processes must take place first. If the necessary declarations are issued, SBA disaster loans or Economic Injury Disaster Loans (EIDL) may become available.
